Report of Principal and School Improvement Council

During the 2013/2014 school year, Aiken Middle School has experienced some exciting changes. The faculty and staff have spent more time addressing the changes brought about by the CCSS and have had a primary focus on student writing and using a variety of classroom teaching techniques. Our school has offered parent workshops on violence prevention and extended opportunities for parents to participate in activities with their students. We have given out many awards for good grades and behavior and started several good behavior reward programs. We have provided new and exciting technology for classroom use.

Our student clubs and organizations have experienced a successful year. Our Academic Team performed well again this year and finished second in the district. Our athletic teams had competitive seasons. Our Student Council and BETA Clubs participated in numerous projects to aid our school and community. We held canned food drives, a basketball rodeo, and a fund raiser for a family in need in our community. The Buddy Club was formed and allowed for more meaningful interactions between our special needs students and their peers. Our band was honored as the Best Band in the Aiken Christmas Parade. Our school guidance counselor formed the My Campus Community organization to address the needs of our student body to include an anti-bullying campaign and positive peer interactions. We also welcomed several outside agencies with programs to mentor our students. These programs offered guidance to young gentlemen and ladies. Topics included self-respect, strategies to improve school performance, and positive decision making skills.

Members of our faculty and staff have continued to further their educations and their knowledge in order to continuously improve classroom instruction. Our school participated in numerous professional development activities throughout the year. Several teachers were awarded grants to purchase supplies to be used in the classrooms. Our school has also completed the process of preparing our strategic plan as a tool to guide us as we look to improve the rigor, relevance, and relationships within our building and community.

Purpose Statement: The purpose of Aiken Middle School is to educate students to be successful, self-sufficient seekers of new knowledge and citizens who are actively engaged in their community and the world.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	49.8
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Aiken Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
